Attached is a "Time Line & Exhibits From Marbet vs. City of Portland. I am seeking a determination as to whether Alan Graf ethically represented me, under the Oregon Code of Professional Responsibility (06/03), in this legal proceeding. I specifically seek a determination as to whether Alan Graf had a conflict of interest in the resolution of this matter, by developing a personal and financial stake in its outcome, that adversely influenced and conflicted his legal advice and caused him to withhold information regarding the legal opinions of at least one of the other attorney's he consulted with.
